

CHAPTER 7. HEALTH**Section 700 - Community Health Board,
Department of Health and Sanitarian**

700.01 Board of Health Created; Adoption of State Statute. A Community Health Board is continued pursuant to M.S. Chapter 145A. It is to be composed of the members of the Council. The provisions of M.S. Chapter 145A are hereby incorporated into and made a part of this Code by reference thereto.

700.02 Duties of Community Health Board. The Community Health Board shall make the investigations and reports and obey the directions concerning communicable diseases as the Minnesota Commissioner of Health may require or give. Under the general supervision of said Commissioner, the Board shall cause any State laws and regulations relating to the public health to be obeyed and enforced. The Community Health Board shall also have general supervision of the enforcement of sections of this Code relating to public health and sanitation by the City Department of Health as set forth in Subsection 700.03.

700.03 City Department of Health Continued. A City Department of Health is hereby continued. It is to be composed of a Sanitarian and such other persons as may be deemed necessary and advisable.

700.04 Sanitarian. The Sanitarian shall be appointed by the Manager. The Manager may also appoint a deputy sanitarian. The deputy sanitarian shall assume all the duties of the Sanitarian during the Sanitarian's absence. The Sanitarian and the deputy sanitarian shall be qualified for such position by academic training or experience in matters concerned with and related to public health.

700.05 Duties of City Department of Health. The City Department of Health shall perform such duties as may be assigned to it by the Community Health Board. The City Department of Health shall enforce all sections of this Code relating to health, sanitation and the control and prevention of communicable diseases. It also shall inspect sanitary conditions in the City and shall perform such other duties as may be required by this Code.
